## SHORT RECITAL OF THE CASE

The Mill Mazdoor Union representing the workmen employed in the Textile Division of M/s. Chowgule and Co. Pvt. Ltd., vide their letter dated 23-10-1978 served a 7-Point Charter of Demand to the management of M/s. Chowgule and Co. Pvt. Ltd., Textile Division, Xeldem. The Charter of Demands include Revision of Wage Scales, Dearness Allowance, House Rent Allowance, Privilege Leave, Casual Leave, Paid Holidays etc. The discussions were held in this office on various occasions. During the discussions the management representative stated that they have already raised a 6-Point demands to the Union vide their letter dated 5-12-1978. The demands of the management is pertaining to average efficiency of different sections in the Mill, Short Leave, Canteen hours, Society credit and Monthly advance, 7 days working in the factory and following constitutional measures to redress the grievances etc. Both the parties had been called for discussions in this office on various occasions and after prolonged discussions the matter could not be settled and the conciliation proceedings were ended in failure on 21-6-1979.

However, as the strike was continuing, both the parties mutually approached this office and once again requested the intervention of this office in the matter. After prolonged discussions on 3-9-1979, 4-9-1979 and 5-9-1979 the matter was settled on the following terms:—

## TERMS OF THE SETTLEMENT

1. It has been agreed between the parties that wages of the Textile Mill workers would be revised w.e.f. 6-9-1979, in the manner, specified hereunder:

(a) Existing basic wages would be increased as under:

Existing Basic Wage	To be increased by
Rs. 26.00 to 39.00	Rs. 9.00
Rs. 40.00 to 50.00	Rs. 10.00
Rs. 51.00 to 59.00	Rs. 12.00
Rs. 60.00 to 78.00	Rs. 15.00
Rs. 79/- and above	Rs. 18.00

(b) On the revised basic wage so arrived at, as per clause '(a)' above, WBR formula, as laid down in settlement dated 22-9-1976 would be applied. Accordingly the revised wages, inclusive of FDA of the lowest paid employee would work out as under:

Basic Wage	Rs. 35.00
First Wage Board	Rs. 08.00
FDA	Rs. 175.00
5% of the above total (FDA taken as Rs. 41 only)	Rs. 04.00
Total	Rs. 222.20
8% of the above	Rs. 17.78
2 increments	Rs. 08.00
Total	Rs. 247.98

The above wage is at CPI-282 (1949=100)

(c) Over and above this, the rise/fall in CPI above 282 would be neutralised @ Rs. 0.75 per point, as against the present rate of Rs. 0.40 upto CPI-370 and @ Rs. 0.45 above that. For example VDA at CPI-413 (1949=100) would be Rs. 98.25 and thus a lowest paid employee at CPI-413 would be getting Rs. 346.23 (247.98 + 98.25).

(d) It is further agreed between the parties that w.e.f. 1-9-1980 the lowest paid employee would get a salary of Rs. 353.21 on CPI-413 (1949=100). The above figure is being arrived at by changing FDA of Rs. 175.00 p. m. to Rs. 181.50. It is further agreed that this

rise of FDA would be applicable to all classes of workmen covered by this settlement.

2. It is further agreed between the parties that management would pay an ex-gratia amount equal to 50% of the difference between their existing wage and revised wage. The above payment would be made on or before 7-10-1979.

3. It is agreed between the parties that, at the option of the Management, lunch recess of the desired sections will be staggered, with a view to proper utilisation of the installed capacities of the mills. It is further agreed between the parties that, wherever such lunch recess working is introduced, the affected workers will be given an additional payment of Rs. 0.60 paise per day per worker.

Where staggering of lunch recess is not possible, due to the limitations of the department, the workers and the union agree to give 6% increase in their present agreed standard production. Such workers would also be paid the above allowance at the same rate.

The above lunch recess working allowance would be paid alongwith the normal wages of the employee, through the same pay-sheet.

4. The union and the workmen assured the Management that they would make their best efforts to improve the general efficiency and productivity of the mills in each department.

5. It is further agreed between the parties that, in principle, they agree that the revision of existing canteen rates is due. The parties further agree that, they would discuss separately and settle the revised rates of canteen etc. within a period of two months from today.

The parties further agree that the working hours of the canteen would be so restricted that, the canteen up-keeping is maintained and departmental working is not affected.

6. The union and the workmen accept, in principle, that, weekly holidays would be on staggered basis. It is further agreed that no separate notice of change would be required for this whenever the Management introduces the scheme.

7. (a) The union and workmen agree to follow constitutional measures to redress the grievances in future and not to resort to direct action in contravention of the provisions of Industrial Disputes Act, 1947. However, the above understanding should not be considered that in the past the union and the workmen have been adopting these tactics.

(b) The union and workmen agree that they would abide by the Standing Orders of the Mills and would not resort to causing tactics at all.

(c) The union and workmen agree that, in future, whenever there is strike, they will not obstruct the working of essential services, such as security, electricity, water supply and also the normal living conditions in residential area of the mills. It is agreed between the parties that by mutual consent the above list can be amended in future.

(d) The union and workmen agree that whenever any emergency arises, endangering the safety of the plant/machinery or there is necessity to work overtime on Sunday/Holidays/Week Days to facilitate the up-keep and proper maintenance of plant/machinery or for such other reasons they will cooperate for ensuring the safety of the plant/machinery as well as for such overtime work. The union and the workmen further agree that the above principle regarding plant/machinery would apply even during the strike periods.

(e) The union and the workmen agree to do the customary work and not to resort to work to rule, go slow or such other unfair practices, in future.

However, the above understanding should not be considered that in the past the union and the workmen have been adopting these tactics.

8. The union and the workmen agree to accept bonus at the rate of 8.33% for the year 1977-78.

9. The union agrees to withdraw its other demands, as contained in their letter No. MMU/18/78 dated 23-10-1978.

10. It is agreed between the parties that this settlement would be in force for a period of three years, from today, i.e. 5-9-1979 upto 31-8-1982 and will continue to be binding thereafter, until terminated, as per the provisions of the Industrial Disputes, Act, 1947.

11. The union and the workmen agree to call-off the strike w.e.f. 7-9-1979 (First Shift).

12. It is understood between the parties that the principle of 'No work No pay' would be applied for the period of strike from 3-5-1979 to 6-9-1979. It is further agreed that the period of strike would not effect the continuity of service of the workmen.

13. It is agreed between the parties that for the Calendar Year, 1979 the minimum qualifying attendance of 240 days would be reduced to 160. The rate of leave earning would however, remain the same. The above is agreed to facilitate the workers to earned leave during the Calendar Year 1979.

14. It is agreed between the parties that an advance of Rs. 100/- would be paid to each of the employees who resume duty after the present strike. This payment would be made before 11th September, 1979. It is further agreed that this amount would be recovered in full from the payment being made under clause (2) of this settlement.

15. It is agreed by the management that the order keeping the 23 Charge-sheeted employees' under suspension, pending enquiry is withdrawn. As such, these 23 workers would also report for work on 7-9-1979. However, the departmental enquiry instituted against them would continue as before.

It is further agreed that no action would be taken against the striking workers for merely participating in the strike.

16. Both parties agree that they would jointly approach the Industrial Tribunal, Goa, Daman and Diu, for getting a consent award in terms of this settlement.

17. Both the parties agree to submit the compliance report of this settlement to this office on or before 21-10-1979.
